

STONECRAFT INDUSTRIES CUSTOM COUNTERTOP

"Innovative solutions for your project needs"

A little bit about us ...

Who we are...

We are a Stone Surfaces Sales, Design, Fabrication & Installation Company.

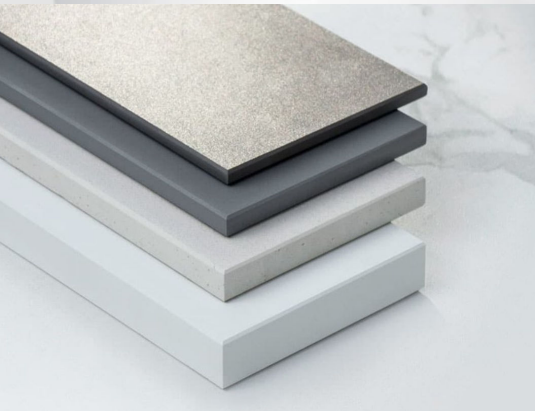

Stonecraft is the ideal Stone Surfaces Partner for Designers, Builders & Contractors alike.

Our Professionals have over 17 years of experience working in the industry, and we are equipped with state-of-the-art tools.

We understand some of the needs involved in this process, and Stonecraft offer other services that solves most of them.

Services such as "Plumbing Disconnect & Re-connect" | "Stone Repair Services" | "Existing Counter Removal & Disposal" | "Sink & Accessories" & more.

Discover how Stonecraft can contribute to the success of your project by exploring the details below."

Materials we offer...

We source the finest stone materials to ensure durability and aesthetics.

We educate our Clients about which material is proper for the area being installed.

We are members with a network of Distribution Centers in the Boston & Worcester areas.

We sell slab materials such as Quartz, Granite, Marble, Porcelain, Exotic & more.

We do offer all different finishes such as : Polished, Suede, Honed, Brushed, Sand Blasted.

We offer great products for both indoor and outdoor.

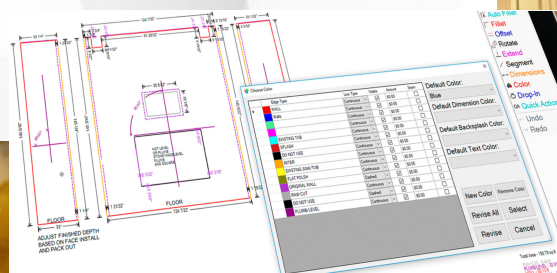

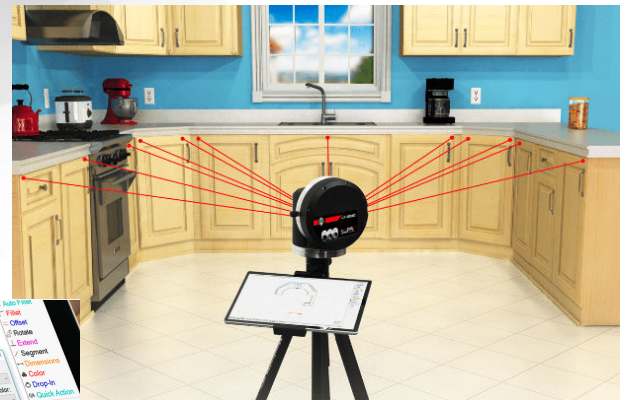

Prices can vary depending on the material selected.

How we measure...

We use a precise and advanced technology called "Digital Laser Template".

It offers many benefits to Designers, Architects, Contractors and Clients, allowing them to visualize the final details and make informed decisions.

We are equipped with one of the best tools for the job, such as the Laser LT55 2D3D.

Our professionals employ cutting-edge LASER mapping technology to survey the job sites.

We ensure that all accessories and appliances can properly fit.

This approach ensures better planning, guaranteeing a seamless experience for everyone involved.

With the LASER mapped data at hand, our team finalizes the drafting of the countertop design on site.

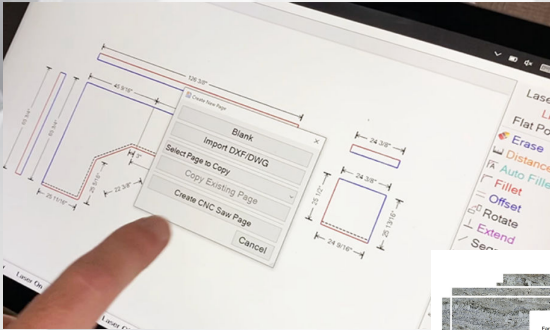

STONECRAFT INDUSTRIES CUSTOM COUNTERTOP

"Innovative solutions for your project needs"

A little bit about us ...

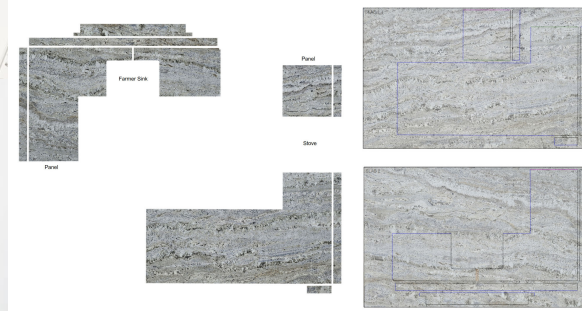

How we plan...

We use our CAD software to translate the measurements into a detailed design plan.

We look for 1/16" accuracy for precise installs eliminating the costs associated with reworks.

We program your digital template files for a Robotic & CNC Fabrication Process.

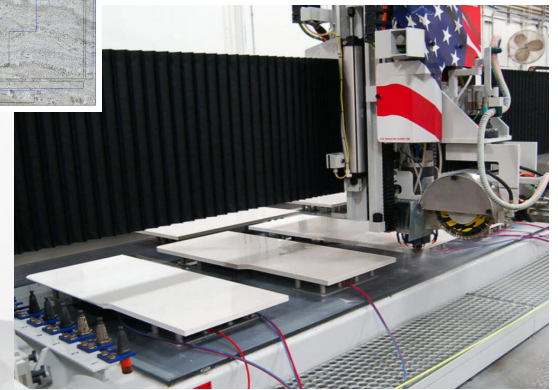

How we fabricate...

Stonecraft has a partnership with a network of Factories that are at the state of the art.

We use CNC and Robotic systems, to ensure precision and quality in every fabrication project.

We provide our Clients a real view image of how we are planning to cut into the stone slabs.

We have the knowledge and expertise to transform stone slabs into exquisite Countertops.

Our difference...

Stonecraft strives to ensure outstanding quality throughout every stage, from sales to delivery.

We inspect the stone surfaces after being fabricated to ensure quality.

We have the expertise in cutting, drilling, polishing, repairing, sealing, sandblasting, and more.

Our team consists of skilled professionals with years of experience in stone countertop services.

How we deliver...

We are a fully licensed and insured company for your peace of mind.

Contact us today for a free consultation and personalized quote.
